

# ADVANCED STROKE COORDINATOR

## Rapid Review Course and Certification Exam

HOTEL VALENCIA RIVERWALK | 150 EAST HOUSTON STREET  
SEPTEMBER 9-10 2022 | SAN ANTONIO, TEXAS

The ASC certification examination is the only certification that recognizes the unique and essential contributions of a stroke coordinator. Attainment of ASC-BC status demonstrates expertise in stroke competencies including understanding and mastery of skills used to diagnose stroke, evidence-based management principles for both ischemic and hemorrhagic stroke, knowledge of role history and role evolution, stroke data collection, data analysis methods, and data presentation, quality management, and principles and strategies supporting effective adult education, change mastery, and time management. Review courses supporting attainment of the ASC-BC credential are available throughout the year. Exams can be taken year-round at Prometric Test Centers.
